REF CLINIC

**MASTER THE CALLS &
BUILD CONFIDENCE
~MARCH, 2026**

Attention all ball hockey referees! The Ref Clinic is coming this March, designed to help you enhance your officiating skills. Whether you're new to reffing or looking to refresh your knowledge, this clinic will cover everything you need to know to make confident, fair calls on the court.

Join us for hands-on training, rule breakdowns, and practical exercises that will help you become a more effective and dependable referee. Don't miss this opportunity to boost your confidence and performance for the upcoming seasons!

Stay tuned for more details on dates and how to register—let's get ready to hit the floor running!

CANDY CANE CUP

**IT'S BAAACK!
~DECEMBER 2026**

The Candy Cane Cup is back to crash Christmas 2026 - bringing chaos even the Grinch would side-eye. Fast-paced 3-on-3 half-court battles, players from U9 to U18 darting like sugar-fueled elves, and shifts so short you'll barely catch your breath before the next big play. Forget holiday naps - this is all action, all noise, and just the right amount of festive madness.

It's competitive, it's loud, and exactly how a Christmas tournament should feel: a little wild, a lot of fun, sprinkled with enough holiday spirit to keep the Whos cheering. This is your official warning - start plotting for next Christmas now.

Whether you're here to win, make memories, or soak up the joyful chaos, it's the place to be.

If you have any questions or concerns, do not hesitate to contact the office at 780-944-4090 or admin@bhe1.ca.
